1. Applicant's preliminary amendment received and entered. The amended and pending claims in the application are 10-20, which are in allowable condition.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Claims 10-13 are allowed, as the prior art of record does not teach or suggest a coil system for magnetic resonance apparatus, including a gradient coil system with gradient coil electrical conductors comprised of radiation-sintered metal powder material, in combination with the remaining limitations of the claims.

Claims 14-20 are allowed, as the prior art of record does not teach or suggest a method for manufacturing a gradient coil system for a magnetic resonance apparatus, said gradient coil system comprising a plurality of component including a gradient coil conductor arranged, comprising the steps for producing the gradient coil conductor arrangement by successively applying respective layers of metal powder sinter material on a workpiece platform and successively sintering the respective layers by application of radiation to the individual layers in succession, in combination with the remaining limitations of the claims.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
